CHAIRMAN'S REPORT

As seasons rank and following on from the significant challenges of the last two years, 2022 was an excellent one for the club. Finishing up with the Dewar Shield after last winning it 2005 signalled that all teams have collectively performed well across all the grades and some reached milestones for the first time. Congratulations to the unbeaten Reserve 3 Internationals for an outstanding season and to the Premier Women's Team and U85s for making their respective finals. Our Netball team also continue to reach new heights being promoted and making the final of the next division. A huge congratulations to all the teams, along with the coaches and the players who went on to representative honours. I would like to thank Isaac (Zak) Feaunati for his huge contribution over the last four years as our Game Development Officer and Premier Men's Coach and wish you well in your rugby coaching career.

Financially the club has adapted well to the declining trust fund income and two years of COVID19 to cut its cloth and manage fiscal responsibility in a new environment. This resulted in one of the better performing years in recent history with a surplus for the year (excluding depreciation) of \$84,679, compared with \$3,988 in 2021.

Li'i Alaimoana was appointed our Game Development Office in January and made his presence felt right across the club, in particular with the Junior Club where his programmes made a big impact and will benefit the club in future years. Our relationship with St Pats Town has been strengthened with new members and a sharing of resources that has been a positive for both club and school.

I sincerely thank all the volunteers and committee members who help our club continue to remain a strong force in Wellington and have made a huge contribution to a positive rugby experience for everyone in and around the teams and demonstrated on and off the field the MSP values.

Our committed sponsors and Life Members continue to help us achieve these goals. I would like to acknowledge John Flynn at Coolmoves, Mike Botherway at Higgins Concrete, our back of jersey sponsors, and the fabulous Shamrock Club for again providing the club financial security to keep developing and improving our facilities and our people.

With the development in the last few years of outstanding young players, the club is proposing to take an U23 Development to Sydney in March 2023. Our goal is to develop and grow the next generation of MSP players. As fundraising events are rolled out over the next few months, we welcome your support in this venture.

We also thank the Robbers family providing the Mick Robbers Scholarship for St Pats College leavers wishing to join MSP. We are delighted to announce the inaugural winner is Francis Metrick.

As we were finishing up the season, we were rocked by the passing of Life Member and fundraiser extraordinaire Paul "Budgie" Jacobsen. Budgie also donated the U85 Player of the Year Trophy, a grade he had immense interest and support for. RIP Budgie.

Have a Merry Christmas and Happy New Year. Safe travels wherever the holiday season may take you and your family.

Robert Evans
Chairman

PRESIDENT'S REPORT

It has been an honour to be President of the Marist St. Pats RFC during 2022.

The history and traditions of this great Club run wide and deep. They continue to be respected by those in both the rugby, netball and wider community.

I would like to acknowledge the many within the Marist St. Pats community who gather in a spirit of camaraderie to serve on countless committees, prepare meals, clean facilities, coach and manage teams and provide financial support. Amongst these volunteers, friendships are formed, and families are cared for at times of sickness and hardship. Whilst the joy found in sport, the beauty of physical fitness and activity is of benefit to all, often it is the values and mentoring learnt within amateur sports that can be “game changing” for individuals as they go on to become “good” citizens.

Congratulations and thanks to all of those who have been prepared to be involved during the 2022 rugby season.

Sport is the name of the game. Congratulations to the MSP Internationals who, playing in the Reserve Grade, went through the season unbeaten and who won the Alan Seerup Cup. There were also other promising signs as many teams and individuals represented the Club with pride and distinction:

- The Premier Women's team made the final, for the first time, for the Tia Passi Memorial Cup. Women's rugby made a strong and positive contribution to the Marist St. Pats family during the year.
- The Women's netball team also made their grade final. The netballers supported by their families represented Marist St. Pats with pride and distinction during 2022.
- The Premier Men's team comfortably qualified for the Jubilee Cup and made the Jubilee Cup quarter finals, despite a horrific run of injuries. During the season the Premier Men's team beat last year's Swindale Shield winner, Old Boys University RFC and last year's Jubilee Cup winner, Tawa RFC. The team, and the Premier Reserve team was affected by a staggering run of injuries as the season progressed and it was notable that a number of younger players showed immense potential when the opportunity to step up presented itself.
- The Men's Under 21 Colts team reached the semi-final of their grade after an impressive number of lead-in matches eventually losing narrowly 22-20 to the Final winners, Petone RFC.

- The Under 85kg also made their Grade Final. The final was played at Fraser Park against HOBM and despite coming second, team members represented the Marist St. Pats family with graciousness.
- The Club fielded eight teams in rugby and netball in 2022.
- The Marist St. Pats Shamrock Club was exceptional in its support for the Club. The Shamrock Clubs annual dinner, held once again at the Hataitai Clubrooms was an exceptional night with Jason Pine as the MC and Donal Lenihan as the guest speaker. It was a pleasure to be able to host a number of Irish supporters including Des Kavanagh and the President of Ireland's Rugby Football Union and its Chairman Declan Madden.

Members will have seen the success of the 'MAP to One Club' programme during the season. Developed by our Game Development Officer, Li'i Alaimoana, 'MAP (Marist Academy Players) to One Club' was a three-week program that saw Senior rugby players join Junior trainings to support junior coaches with areas of interest. Similarly, the Club continued the strong links with St Patricks College and other Colleges especially through the Marist network of colleges.

Can I also recognise all of the Marist St. Pat's supporters, donors and members who help keep this Club to the forefront of being able to support the development of young men and women, as well as to provide wonderful Clubrooms and training facilities.

The Club was fortunate in having Rob Evans as the Chairman of the Management Board and I extend to Rob and his professional team my heartfelt thanks as they negotiated their way through a number of issues that inevitably arise during a season. Thank you!

Marist St. Pats does so well, so thank you for all of your support during the year. Member's ongoing interest in the Club means a lot to the players, coaches and administrators. Enjoy the summer break (many will now be in the midst of preparing MSP for the 2023 season) and I look forward to catching up in 2023.

John Holden
President

CLUB CAPTAIN'S REPORT

For Marist St. Pats to be awarded the Dewar Shield at the Wellington Club Rugby Awards evening in October illustrates what a successful 2022 season we had collectively as a club.

Awarded for the most championship points across all grades over the course of the season, this award ensures we can look forward to the 2023 season with confidence.

I would like to congratulate the MSP Internationals for going through the entire season undefeated and winning the Alan Seerup Cup. They had some close results over the course of the season, especially against Tawa and Upper Hutt, but always managed to come away with the win so huge credit to all the players, coaches and management of the team and here's to the winning streak extending into the 2023 season.

I'd also like to congratulate the MSP Premier Women's Team for making it through to the Division One Cup Final this season for the first time. Whilst the result against a strong Norths team in the final didn't go our way it was another landmark moment for the side. I know the team and coaches will be looking forward to going one better in 2023.

Our Colts' team further developed the great team environment that was established the season prior and played some fantastic rugby over the course of the 2022 season. They lost narrowly 18-20 to eventual champions Petone in the semi-finals of the second round. The upcoming tour to Sydney in March 2023 will be a great way to start the season and should ensure the boys are fired up for the Wellington comp beginning in early April.

Our Premier Men went down narrowly 29-35 to eventual Jubilee Cup winners Norths in the quarter final. Over the course of the season injuries disrupted team selection significantly but the plus side of this was seeing many Colts players making the step up to Premier rugby.

Off season training is well underway and I know new Head Coach Fa'atonu Fili will have the team primed for another shot at that elusive Jubilee Cup next season.

There are so many exciting initiatives being worked on behind the scenes at MSP and it's great to hear our club being spoken of positively in the wider

rugby community. The 2023 season looks to be one full of promise and will be upon us before we know it.

I would like to say a big thanks to all the coaches, managers and volunteers across all grades for their support and assistance this season. Special mention to the ground set up crew who assisted me on the morning of our home games at Evans Bay Park, you guys know who you are. My time as MSP Club Captain is over now as my wife Sam and I have re-located to the UK for the next few years. I look forward to following the club's progress from over here in 2023 and wish everyone within our great club all the best for next season and beyond.

Mike Renouf
Club Captain

FINANCIAL REPORT

Like most of the world, MSP has had to reset our expectations after a disrupted couple of years and see how everyone responds. The 2022 year has therefore been a conservative one where the committee has done well to balance new initiatives while being financially prudent. The Finance Sub-Committee has been working hard to support the Club to work through the uncertainty that the last couple of years has created.

2022 has seen revenue achieved of \$360k and expenses of \$275k, compared to \$379k and \$375k respectively in 2021. Bar sales and grant income have decreased compared to 2021, however a great effort by the management team, sponsors and supporters has seen donations and sponsorship increase. Overall, expenditure was lower than the previous year primarily due to prudent management of resources during the year. As a result, we are fortunate to post a \$84k operating profit (before depreciation).

The following are key items for the year:

1. Trust grant revenue decreased by \$11k, continuing the trend of lower grant funds being available along with greater competing needs of other community groups. The Club acknowledges and thanks all Trusts who have contributed in 2022 for their significant positive impact on MSP's financial wellbeing.
2. Bar sales brought in \$64k this year, down slightly from 2021. There were many great nights at the Clubrooms over the last year and

hopefully we can keep improving MSP's social aspect. Clubroom hire increased thanks to a regular weekly booking, along with continued management of this asset. A huge thanks goes out to Alan and Peter Woods who have continued to oversee bar operations and an increasing number of external clubroom hires.

3. There were a number of fundraising initiatives, highlighted by the Golf Tournament in April which was an incredibly successful fundraising event and a great day for those who participated. Thank you to Ken Ah Kuoi for his work on the Golf Tournament, looking forward to 2023's event.
4. MSP is incredibly fortunate for the loyal support of the Shamrock Club membership. Membership income was up on last year and associated costs reduced. MSP greatly appreciates Shamrock Club members' continued support. We will continue to support and promote our Shamrock Club members' businesses.
5. WRFU GDO programme income decreased by \$5K due to funding restraints. WRFU continues to review this programme, with some uncertainty recognised for the 2022/23 season. The programme is currently confirmed to continue in earnest through to April 2023 and Management note some risk for the second half of 2023 regarding this funding.
6. MSP membership subscriptions and donations increased by \$24K. This was primarily due to donations from the Shamrock foundation and the funds were used for a variety of initiatives within the Club. We cannot thank our members enough for their contributions and we are heartened by their support.
7. MSP expense management improved with lower expenses, mostly due to prudent management of costs and future proofing activities relating to costs associated with the gym.

Marist St. Pats wishes to acknowledge the following organisations and individuals who have contributed significantly to the club's finances during the past year:

1. Trusts: Four Winds Foundation, Air Rescue, NZCT, New World Eastern Suburbs and Grassroots Trust. Without their continued support, the Club would struggle to provide resources and equipment to our players;

2. Various individual jersey and match day sponsors, who are vital in contributing to the Club's overall operating expenses and, in particular, expenditure relating to our teams:

Cool Moves, Higgins Concrete, MPB Builders, Tonis Focas, Ah Kuoi Law, Interlect, Expert Developments, Quick Hire Trailers, Wedglock Equipment, Willis Bond, Optima Investments, Liquorland Miramar, Prime Interiors, LT McGuinness, SWP Commercial, Woods Waste, EN Ramsbottom, CJ Ryan, John Pothan and Optic Security;

3. Mike Hansen & Martin Paget for their role in running the 500 Club, MSP's monthly fundraising draw;
4. Shamrock Club and its members for their continued loyal support;
5. Alan Woods continued management of our clubroom hires;
6. Peter Woods for the financial and stock management of the Clubroom bar;
7. Ken Ah Kuoi for organising the MSP Golf Tournament.
8. Junior Club sponsors, particularly In-Depth Builders sponsored team photos. This allowed our young players to have a memorable token of their 2022 MSP season.

Again, on behalf of the club, I would like to say thank you to all club and Shamrock members, Trusts and sponsors for their contributions. Without your contributions, Marist St. Pats would not be able to operate and we value your support.

Lastly, I would like to thank Finance Sub-Committee members Rob Evans, Peter Woods, Martin Paget and Melissa Moroney for their work throughout the year.

We bleed red, but let's keep the books in the black.

David O'Hagan

Treasurer

GAME DEVELOPMENT OFFICER REPORT

Coming into the role late last year, we ended the year by bringing players from all teams together for an end-of-year BBQ hosted at the MSP Gym. Reaching out to all senior teams, we got a great turn out which was a positive step forward going into 2022, with all senior teams represented.

2022 was a return to a full season of rugby for Wellington clubs, with an altered format. But as the year began, there was more to worry about as Covid continued, causing a few more disruptions and uncertainty around how the season was going to play out. We ended up with 278 registered senior players which amongst the most in the Wellington region.

At the start of the season, it was great to build relationships with all coaches and management. A big part of my role was to ensure that all teams didn't go without during the season and feel that we've come a long way with that. This is a great lead-in to next season as after discussing with coaches and management, we feel that this is a great start to heading in the right direction and nurturing the club's 'One Club' approach.

With Covid having a big impact on schools as well, of all the primary schools that were approached, only two were able to confirm Rugby focused sessions with myself as many schools couldn't confirm times that were available. This has meant that many schools pushed their sessions back to the end of the term, which is still a big positive. Full day sessions were carried out at Clyde Quay School and Green Acres, with both schools having strong ties to Rugby clubs throughout the region.

As part of nurturing and growing the game at a Junior level, I was able to implement a new programme at MSP called 'MAP to ONE CLUB', an academy focused on having MSP senior rugby players attend Junior rugby trainings and volunteer their time to help Junior coaches and players grow their confidence and bring both Junior and Senior teams together. With the help of our incredible Junior Convenor Bevan Brocklehurst, we were able to plan and execute a programme that was a big success. There was help from the Senior club in not only trainings, but also games – where many senior players attended Junior games to support the younger generation.

A heart-warming story that came out of the programme was one senior player from the U85kgs who went on to attend all Junior trainings and all games for one of the teams. There was amazing feedback from the Junior

coaches and an overwhelming amount of support from parents, MSP committee members, and members of the MSP community in general. Coaches were also given certificates to hand out to their players as part of the programme, and as a token of the club's appreciation, coaches and managers were also given gift vouchers to acknowledge them for their time and efforts – which went down well, with messages from coaches and management praising the club, and thanking us for putting focus on them. A huge thank to you Bevan for his undeniable passion and commitment, and his unconditional love toward the Junior club. MSP are extremely lucky to have him looking after the Juniors, and I look forward to working with him next season and building on what was a big step toward growing the game within our up-and-coming rugby players.

Another big thank you to Alan Woods and The Shamrock Club for generously funding the programme. Without their trust, and contribution, MAP to ONE CLUB wouldn't have had such success.

Time was also spent with the Women's team this year to help where I could. Relationships with coaching and management were vital, as growth within all teams has been a big focus in the role. A meeting with Coach Ryan Setefano and the players resulted in the need for the club to work towards having female changing facilities and toilets. I took this to Rob Evans who has been extremely supportive of the idea and has acknowledged this. This is a big step forward for the club as I feel that as the women's game grows, our club has the potential to grow with it. Our Premier Women's team would go on to make history, making the Women's Club Final for the first time. A big accomplishment, and a bright future for the club. Helping the team, they were able to lean on the club when there was a need for tape, or any other requests.

As part of the recruitment process for Senior Rugby, a big emphasis was put on the relationship between SPC and MSP. As part of this, a relationship was built with Christ Stirling, Head of Rugby at SPC, along with coaches across the board at SPC. It was a huge pleasure being able to attend most trainings, and have a few coaches invite me in to help with coaching. 1st XV coach Ross Bond and Manager Mike Berry were exceptional in keeping in contact. Constant communication was shared between us starting with the Xavier Reidy Trophy match between the SPC 1st XV and MSP Colts. Chats were had regarding how the game was to be played, what the game represented, and how to go about the after match. The event was a big success, and is a major draw for School

leavers, having the opportunity to still be part of the school and club through participating.

The club was happy to host the SPC 1st XV with jersey presentations in 2022 as well. After discussing with Ross Bond and Mike Berry how there were no jersey presentation evenings planned for 2022, we were able to work together and come up with an evening up at the MSP clubrooms, the evening before the traditional versus Silverstream. The evening was a big success, with Nic Fitisemanu and others also able to help with planning. John Campbell was the guest speaker for the evening. SPC would go on to win the traditional the next day, their first in many years.

Also on Recruitment, a new programme has been created to focus on School Leavers from SPC. This is the 'Legacy Programme'. The goal of the programme is to nurture young men from SPC looking to play at MSP in 2023 and introduce them to the MSP family and work with them over 4-weeks. The programme covers life on-and-off the Rugby field. There'll be focus on career paths, focus on individual health and fitness, personal goals after college, and much more. With the programme recently given the go-ahead, the plan is to have the program start near the end of November.

There were some new additions and returning additions from the overseas this year. Jack Boylan is a young man that travelled to New Zealand, and via email, we were able to connect to ensure that he was looked after during his stay in Wellington. As a result, Jack became a key member of the MSP Colts for the 2022 season, scoring a try in the close semi-final loss to eventual winners Petone – a moment Jack has described as one of his greatest moments in Rugby.

We were also able to successfully have Tietie Tuimauga transferred from Irish Rugby Club Connacht to MSP. The process was a great learning experience, which meant that there were late nights to ensure that communication was successful and timely. As a result of this, Tietie gained his international clearance and was able to make it in time to play two games for our Senior teams. Our efforts were also rewarding for the Wellington Rugby Union as they were then able to sign Tietie to the Wellington Lions, who would eventually go on to win the Bunnings Premiership against Canterbury. Four MSP players got regular game time: Billy Proctor, Keelan Whitman, Aidan Morgan and Tietie Tuimauga. Josh To'omaga and Vince Sakaria were also named in the Lions but missed the latter part of the season due to injury.

With the 2023 season in sight, I hope to build on this season, and look forward to helping grow the MSP family and build on what has been achieved this season.

I thank Rob Evans, and all the Rugby Sub-committee, the rugby committee, and everyone that has helped this year.

Li'i Alaimoana

MSP Game Development Officer

HOUSE REPORT

Another year of rugby and challenging opportunities post Covid. We survived!

External Hires – We have done quite well with long-term hire and events' bookings from the public and members of our rugby families. This has improved from past years and it's a good revenue maker for our club. We certainly want to continue this. Thank you to Alan Woods for managing this with assistance from Poto and Maria Masina especially in the cleaning and resetting and set-ups.

Bar Management – More attendance by our rugby teams during the season and increased function hires mean more revenue for our club. Thank you to our permanent bar manager Richard Putze and Bar Assistant Poto Masina and the long serving Peter Woods for making this work and actually having a system that works.

Social Events – We have had few challenges organising events because of available volunteers and buy-in from teams to participate in team events. However, we are sure can do better. Thank you to those who have helped out especially Mr. Malcolm 'Mumba' Mashingaidze and Kate Clapperton. Bring on 2023.

Special Projects – we had our inaugural MSP Golf tournament this year at Shandon Golf and it was a huge success. Thank you to our main sponsors, Shamrock Club individual members and businesses, and all families that helped out. This is an annual event! Book a team for 2023 for Friday 10 February!

We also had our "**Kilbirnie Clean the Beach**" that finished up with sausage sizzle and our Junior rugby registration in March. This was a successful day. Thank you to sponsors Pak n Save, Wellington City Council and Dingle

Foundation. We plan to have this twice every year in the beginning of rugby season and end of year. We have a new sponsor in Lyall Bay Bunnings that is willing to be part. Watch this space!

Our annual **'Working Bee'** for our clubroom is still going, and again great leadership from life member Michael 'Soody' Sood for leading the volunteers. Looking forward to the next one, pre-season 2023. There is still room for volunteers from players and our rugby family!

Gymnasium – There is improvement work going on at the gym especially the weights room and that is great! Great teamwork for maintaining this space for our teams during the season. Thank you to Li'i Alaimoana and his team for nurturing and improving the relationship with the college, especially making sure they look after the gym after usage.

Red Café – Great find in Lina and her husband Nanai for managing the café during the season and catering for some special functions at the clubrooms. Keep up the good work.

Opportunities and thank you – This is an opportunity for any of our rugby family that wants to volunteer for any of the above roles, whether it is organising an event or being part of the event in any manner, you are strongly invited to join the team, just give a text/email or messenger or simply turn up!

Lastly, thank you to all the wives, husbands, partners and friends of committee members or club in general that have helped out during the year, one way or another. We love your work!

There is always room to improve and learnings from mistakes! We hope for the best. Join the team if you want to offer your help.

Merry Xmas and Happy New Year – Manuia le Kirisimasi and Tausaga Fou.

Ken Ah Kuoi
House Chair

Maria Masina
House Deputy Chair

SHAMROCK CLUB REPORT

Once again, the Shamrock Club along with many other aspects of the club was a casualty of the Covid 19 pandemic.

It was our intention to hold the Season's launch in conjunction with the Hurricanes match against the Crusaders but for the second time in three years this had to be cancelled as the country was put into "traffic light Red" forcing the game to be cancelled.

On a more positive note, the Shamrock Club Test Weekend which has become one of the highlights of the rugby season could take place with most restrictions eased as we entered into the traffic light orange category.

The Test Weekend was built around the All Blacks v Ireland test match on Saturday 16 July. With the series locked at 1-1 and with Ireland attempting to become the first Irish team to win a series in New Zealand the build-up and buzz around the town was immense.

The Test Dinner on the Friday night certainly added to this great occasion where our guest speakers were former Irish and British Lions captain Donal Lenihan along with our great mate Peter Ryan the Irish Ambassador and a delightful cameo appearance by Des Kavanagh the Irish Rugby Union President.

All three were superb and with Jason Pine as the MC the dinner was a huge success with many saying it was the best in the Shamrock Club's history.

We thank all of you for making the night the success it was and look forward to welcoming you back to our club in the not-too-distant future.

As the Irish would say "it was great craic".

Test day on the Saturday commenced with the traditional pre-Test function which was held at the West Plaza where members reminisced about the night before and prepared with a drink and meal before buses took everyone to the Stadium for the eagerly awaited test match.

And what a Test match it was. The Irish jumped out to a 22-3 halftime lead only for the All Blacks to come back to make the score 25-22 with 15 minutes remaining before the Irish sealed the match with a converted try to make the final score 32-22 and make history.

A wonderful conclusion to what was a fantastic weekend for Shamrock club members.

Despite the problems of the last three years membership of the Shamrock Club has remained high. Again, we have exceeded over 60 members which is a very positive number considering the trials and tribulations many businesses have had to encounter over that period.

For that Marist St. Pats are extremely appreciative of the Shamrock Club members who have remained loyal during this period.

As mentioned earlier in the Annual Report the club's finances have been stretched during this difficult season and through your generosity and commitment to Marist St. Pats and the Shamrock Club that has played a large part in allowing the club to survive.

We now look forward to 2023 where hopefully life has returned to some normality and the Shamrock Club can offer a full programme to its members.

PREMIER MEN

After the disappointment of losing the Jubilee Cup final in 2021, the majority of the Premier Men's squad returned in 2022 to have another crack at the title. The Swindale Shield started on 2 April 2022 at Evans Bay Park with a rematch of the 2021 Cup final, MSP vs Tawa. With both teams eager to start the season with a win, it was MSP that got off to a great start. Co-captains Tom Martin and James Tuia led the charge and Marist held off a spirited Tawa forward pack in the second half to eventually win a hard-fought and entertaining game 24-21.

The following week wasn't any easier. We hosted an experienced, physical and determined Ories team at Evans Bay. It was always going to be a tough, exciting match and Ories took the game to MSP to lead 10-3 at half time. The second half was just as physical and with the big Ories pack starting to run out of gas Marist started to take control of the game. A try on full time from ex-Ories veteran Tuga Mativa sealed the game 23-15 to Marist.

The following three weeks was a turning point for the Prens. We lost James Proctor for the season (head concussion), Vince Sakaria (broken foot), Ryan Dafel (knee), Tom Martin (ACL), and Jacob Dunn (shoulder). All these were season-ending injuries, and we also lost Josh To'omaga and Keelan Whitman for six and eight weeks to injury.

While this was a true test for the Prens, it was also an opportunity to test our depth and the Club's young talent. This saw Kigi Nu'utupu, Jeremiah Tuia, Curtis Finnigan, Milan Kriletich and AJ Hart step up in the forwards, and Chicago Doyle, Logan Love, Zack Paterson in the backs. All these players were still eligible to play colts. These young players gained some great experience playing in close, tough games throughout the season and this experience will only better them as players and our club moving forward.

Highlights of the season included playing OBU at Evans Bay Park in round nine. It's always a tough and entertaining game between these two rivals and this was no different. Both teams showed their intentions early, playing the game at pace and spreading the ball wide. The sides were evenly matched and the scores were level 19-19 at half time. Andrew Wells showcased his experience and class to set up two quick tries early in the second half. We built a lead we never gave up going on to score another two tries and winning the game 48-

38, a very entertaining game with OBU scoring three late tries in the last five minutes.

We finished the Swindale Shield round in 8th place with seven wins and six losses. Five of these losses were within five points but it was great experience for our young players who have been outstanding since joining the Prem squad this season.

The Jubilee Cup round, in a new knock-out format, began with us playing Ories away. The winner would advance to the next stage and the loser was done for the season. Both teams came into the game with confidence after good wins the week before. In front of a packed crowd at Kilbirnie Park it was an even game with penalties exchanged before Ories crossed for the first try. MSP scored just before the break to go into half time with a narrow 13-10 lead. Ories came out firing in the second half and scored two tries. They led 22-13 for most of the second half before Andrew Wells once again took control from first-five and set up young rookie Chicago Doyle down the left-hand corner. With 10 minutes remaining, inspirational skipper James Tuia scored under the posts and Andrew Wells converted. MSP held on to win 27-22 in another hard-fought match and advanced to the semi-finals against Norths at Porirua Park.

On a cold windy day Norths came out firing and took the game to MSP, putting us under pressure and forcing errors. Norths capitalised and went out to a 22-0 lead after 20 minutes. Marist slowly worked their way back into the game and went into half time 22-10 down. After some hard words from the coaches, MSP flicked the switch and led by key forwards James Tuia, Josh To'omaga and Keelan Whitman started to get on top of the Norths pack. With the MSP forwards speeding up the game and Andrew Wells finding space for Isaia Petelo and Tuga Mativa, Marist took the lead 29-25 with 10 minutes to play. Norths struck back with a try and conversion to take the lead and hold off a spirited MSP fight back in the last minutes. Norths held on to win a great game, 34-29. It was definitely a game of two halves; Du'Plessis Kirifi and Jackson Garden-Bachop showed their experience for Norths and their class proved to be the difference on the day. Norths went on to win the Jubilee Cup final the following week against Petone.

We would like to thank our management team Tinka, Soody and Porky for all their work during the season, our coaches, and the rugby committee and club for their support, and also our sponsors CoolMoves and Higgins Concrete.

COLTS

The 2022 season kicked off in a really positive way. We had a number of players returning and an influx of new talent to strengthen the depth in the Colts squad ending up with over 40 Colts aged players in the club. We had a settled coaching team with Justin Gray returning and Li'i Alaimoana joining the coaching ranks taking a lead coaching role, and to our support coaches passing on their knowledge creating a great environment to learn and play great rugby.

The pre-season was successful, we played a game of three halves versus Johnsonville and Paremata-Plimmerton, shared a game with the Premier 2 team versus Tawa and had the second edition of the Xavier Reidy Memorial game versus the St Pats Town first XV. The game was a great occasion and many of Xavier's classmates in their last year of Colts rugby joined us to remember Xavier. The College put up another great performance however we managed to win the Cup back after last year's last minute loss.

We did suffer a few injuries during the pre-season that started to stretch our playing stocks. We would go on to need every player who joined the club during the season as injuries impacted the Prem teams too. We are grateful to all the squad for their commitment and team ethic supporting the needs of the Colts and other teams in the club.

The season proper started strongly with wins over Tawa – our nemesis from last year – and a big result against Johnsonville where our Irish import Jack Boylan started a try scoring spree that lasted all season. However, we did continue to suffer injuries at the same time that tested the squad.

The Old Boys University game, a benchmark game in the Colts grade, saw us missing some of the experienced squad members and our young team played with courage. We learnt some lessons in a tough loss, along with a loss to Petone at Petone, and a surprise loss to Wellington at Hataitai that hurt the

team a lot. The great thing with this team is that we did learn from that and we did come through later in the session.

The mid-season was difficult as we had two games in five weeks, while training is nice game time in season is always best. We prepared for the last tough part of the season as best we could but knew we needed to build as fast as we could to get ready to make the play offs.

Some of the squad took the opportunity to get some game time and maintain fitness playing for the 85's and the Prem 2's. Some also had a crack at the Prem's playing well and proving that we have a group of under 21 players who will step up when the time comes at the highest level. The benefit of a long break was that our injuries started to come right.

As a result, we built strongly in our last three games. We ran out of match fitness a bit versus Hutt Old Boys Marist but we won their respect. We did not get another chance to play them as they went through to the final and won the grade. Congratulations to them for a good season.

We then hit our straps playing some great rugby and showing our spirit and skill beating Pare-Plim well – a team that was on a high and looked bound for the play offs – this game really set the tone. We then beat Poneke and in the first play-off game destroyed Wellington in a wonderful exhibition in the wet demonstrating great skill and tactics to win 48 – 6 and revenge our loss.

Having won our way into the Semifinal we played Petone on a windy day at Petone Rec. Petone had topped the table all year and are a quality side and so a tough assignment. The first half started slowly then we pulled ahead to lead at half time. We turned at half time playing into a very strong wind – defended with great spirit and scored a wonderful try after some very hard work to carry our lead on in the game after it had closed up. In the end it was not our day – Petone scoring a late try after 10 minutes of solid attack and equally strong defence. Petone won by two points scoring in the last five minutes and we couldn't counter them anymore.

This Colts squad is a team of great courage and talented players. They can be congratulated on an excellent season and we learnt a lot about rugby, had fun, enjoyed spending time together - with meals kindly sponsored by the Pothan family during the season. The boys from out-of-town, Auckland, Tauranga and Otago and the home-based players got to know each other and form bonds that will carry the club forward.

We really appreciated the huge interest in our progress during the season from the many club members who supported our games. The manner in which the team conducted themselves is a credit to the young people who joined Marist St Pats this year and who will over the next few years will be pivotal in the club's future success.

Thanks for the extended coaching team who all contributed their time to building the team, and to the players from all over NZ who joined MSP.

MSP Colts Management team

PREMIER WOMEN

This year our MSP Premier Women's team went through a season of great growth and transitioning into a top contender in the Premier Women's grade which has been dominated by the same clubs these last few years.

We welcomed Charlene Gubb (former Black Fern) and Tui Tuiatua (MSP Premier Men's Veteran) formally to our coaching team as forwards coaches to assist Head Coach, Ryan Setefano. We were pleased to retain our dedicated medical team Luke Donaldson and Kathryn McConville who were committed to ongoing injury prevention and treatment for our women.

Under the combined efforts of our management team, Captain Jaydah Timu, Vice Captain Cheyne Copeland, Manager Petrina Foese and a small leadership team made of senior players, the women's team has flourished in the 2022 competition with our strongest season to date.

Highlights of our year:

- Started off cheering on our sisters who had made the inaugural Hurricanes Poua team - Ana Afuie, Monica Tagoai and Lyric Falefaga. We also welcomed Georgia Daals from the champion Waitomo Chiefs Manawa team.
- Celebrated the milestones of our two OG sisters Jaydah Timu (captain) and Tina Vaaua-Hamlin receiving their Blazers for 50 games. These are blazers number 8 and 9 for the women's team at MSP and require a huge commitment to achieve as the women's competition is significantly shorter than other grades.
- Finished in a three-way tie at the end of first round (Rebecca Liua'ana Cup) with Ories and Norths (the cup then being awarded to Ories)

- This season saw our first wins in club history over Ories and Norths - the respected top teams in our grade for the last few years.
- Current holders of the Gary Hillsdon Challenge Cup (won from Norths 19-24)
- Welcomed many new players to our team and club culture, many first rugby players.

After a strong consistent performance all season, the MSPW made their first final for the Tia Paasi Memorial Cup (Premier Women's Division 1). Unfortunately, it was not our day and we went down to an experienced Norths. However this was a great experience and plenty of lessons for our next season.

At the close of our season:

- 9 sisters in the Wellington Pride squad - Jaydah Timu, Cheyne Copeland, Monica Tagoai, Georgia Daals, Thamsyn Newton, Justine McGregor, Maddie Feunati, Ana Afuie & Sydnee Wilkins. Thamsyn was also awarded the Erin Rush Best and Fairest award for her outstanding performance this season.
- Octavia Nanai-lafeta represented the Manu Sina (Samoan National Women's Team) at the Oceania Women's Championship in July

We would also like to acknowledge the support of our community especially Challenge 2000 who sponsored our team t-shirt for our finals. Ultimately, this has been the best season so far for our Women's team, a credit to the work of our management, loyal head coach Ryan Setefano, a great team culture and support of our foundation team members who have worked hard to help build this team since 2016.

We look forward to our 2023 season and wish safe travels home to Octavia Nanai-lafeta currently playing in Hong Kong and Cheyne Copeland in Spain.

Emele-Moa Makisi Setefano

MSPW Leadership

UNDER 85 REDS

This year was a mammoth push to get a team together. At the beginning of March, we had three guys at the fields ready to do some fitness and play a casual game of touch. Three guys!!!

After a very hectic 12 days of player recruitment, emails, text messages, calls, and social media posts (a massive thanks to Michael Holden for the professional post that was done), we had managed a list of 20+ players committed to the Reds for 2022.

An extra special mention to Jack "Mad Dog" Maddren for all your Uni student recruitment; without your efforts I don't think the season would have gone ahead.

Prior to the season management, Malcolm Mashingaidze, and myself had been recruiting another key component; a head coach. That coach being none other than Brendan Reidy. His presence at trainings and games, knowledge, and drive to bring this team together as one was felt instantly.

It was actually quite fitting that Brendan was new to our coaching team, as with the team's recruitment drive bringing in no less than 75 percent new players, we were able to start fresh, with new game structures, attacking plays, and season goals.

With the returning players in key positions, it really helped the new guys settle and become accustomed to the plays that have been a staple of the Reds team for the last few years.

Leading the boys around were our Captains, Calum Bron, playing in the #10 or #12 role, and Ryan Cullen who was equally as versatile whether in the front row or back row. These two guys are unwilling to take a backwards step and that attitude filtered throughout the team creating a strong team environment for the season.

It was full of firsts for a lot of guys, some guys having had years out of the game, and one guy having never played before. But if you saw Stephen Pitts training or playing now you'd have never guessed he was a rookie.

When we had a full squad available, we were a pretty damn good team. Even when up against some of the more established top teams, we gave them a fight all the way through the 80mins. Unfortunately, due to injury, sickness,

Uni holidays and Covid isolation, we often struggled for numbers, leading to a lot of last-minute ring-ins on Friday nights and Saturday mornings.

Huge thanks to Aaron Bouzaid of the undefeated 2022 champion Internationals for offering up the few eligible players when they were available.

We also need to thank Li'i Alaimoana for all his amazing work to help us as a team, and for offering up his Colts players week in week out to back up after their own games.

We must also mention Ashley Mupariwa's contribution. He came to almost every game, whether to back up from his own game or just offer a hand on the sidelines, doing all the small things that help a team tick along seamlessly. He offered feedback to our players and when he did get on the pitch, it didn't take long to see why he was the Premier 2 Men's MVP. His leadership and commitment to the game is immense, the guy has not quit. The team forever appreciates having Ash involved with the Under 85s.

Although there were struggles early on, the team was not short on camaraderie and desire to play for each other. Along with that commitment to each other on the pitch, off the pitch there was never a shortage of fun times to be had socially, thanks hugely to Malcolm.

I think it's no secret that Mumba lives for a good time and even more so a fun time with all the lads. The year was full of social events that were great for building new friendships within this largely new team and therefore creating strong connections on the field too.

Malcolm is not only the social captain, he is also a decorated stalwart of this team and that was celebrated with a win in his 200th game vs Wests Roosters. A fitting result for such a great member of our team .

One last mention has to go to Henry McGill for putting in all the effort to be there every weekend adding his value on the side line that management can't commend him highly enough for.

This season may have been a tough one but the way we finished it, making the division final and putting on an admirable display, is something to be proud of.

To the team, each and every member of it deserves to hold their heads high. The debutants, returning players, the guy that was dragged out of retirement mid-season (Dan White), the core group of leaders, the management, and coaching team. All of the combined efforts put into this season have only made things look super bright for 2023.

Long may "The Mighty Reds" continue.

Reuben Ouwerkerk

Team management/Player

RESERVE INTERNATIONALS

2022 was a success for The MSP Internationals on several fronts. We celebrated our 15th season by going one better than in 2021 and going through the season undefeated in all 16 games, including winning the Reserve Grade Div 2 Grand Final against old foe Upper Hutt. The team had more than 35 registered players who all contributed to this success. Several new players earned their badges for playing 3+ games and a handful of old boys returned for one last shot at glory.

Training was competitive with 30+ players often showing up and several premier players also often on hand to help. This went a long way to us being the most prepared team in the grade which the results showed.

Off the field, social events were well attended; we had bus trips, old boys' nights, and an epic end-of-season trip to Whanganui. The highlight was the MSP Prizegiving where several players took home club awards and the team won Team of The Year. Sam Baylis was voted MVP by his peers; after he scored 20 tries it was hard to vote any other way.

The 2022 team truly embraced our motto of 'Get the Dog'. MSP Internationals' players know they are considered vital members of the pack. The Internationals' collective approach has created a culture that provides an on-field and off-field experience second-to-none in the reserve grade.

2023 is looking even brighter for the MSP Internationals with new sponsorship agreements signed, a renewed partnership with the club and a bulk of the 2022 squad already committed to returning. We hope to go back-to-back or maybe take a crack at the Division 1 Grade for the first time since 2017.

The MSP Internationals would like to thank our sponsors, In-Depth Builders and Sugarwoods, our Old Boys network and Marist St Pats for their continued support.

Trainer: David Isaia

PRESIDENTS MH LAW CLASSICS

Well, another season completed for the MH Law Classics and it was a mixed one with six wins from eleven. The highlight was just getting on the field with Covid drastically affecting our season.

One of the big success stories was seeing our new recruits from the year before starting to develop into great rugby players.

A few notable mentions: firstly, Peti Pesefoti winning MVP for the season. He had an outstanding year with his straight-line running creating havoc in opposition defences and making some huge hits. Arnold Politini no 9 was our top try scorer with 10 tries. Mick Joyce playing in his 19th season of Presidents rugby and his defensive tackling. Max Curtis and Shane Whitehead with their devastating tackling and being everywhere, menacing the opposition. A big thanks to the guys that turned up every week, you know who you are and without your dedication we wouldn't have a team. Grant Sullivan for volunteering to referee and keep us honest. It's a hard job and with the constant abuse from our own players. Finally, Fred, Cal, and Mick for leading the team this year with great mana.

The lads would like to thank the club for their support during the season, the teams own loyal band of supporters, and the long-suffering wives, girlfriends, pets & kids who had to put up with all the excuses, and aches and pains that a rugby season delivers each year.

Lastly the team would like to thank our sponsors Mahony Horner Lawyers, who every week keep our throats from getting too dry and with their support we are able to get the over 30-year-olds participating in the game. Also come see me hfidow@sharp.net.nz for any copier, visual signage, and screen solutions - all sales made will help towards team funds.

Henry Fidow

Manager, Coach, and all-round Legend

MSP NETBALL

MSP Netball overall had a very successful year. This is our third year in the Wellington Netball competition and unfortunately in the first two years, despite a 90% win rate we were unable to move up a grade due to COVID. This year was different. We won 8/8 games for round one and won the promotional relegation game which resulted in our team moving up a grade from Senior 1 grade to Premier Reserve grade.

Premier Reserve grade was understandably more challenging. The team won 6/8 games, made it into the finals for a second time in a new grade and unfortunately just lost the finals. We are extremely proud of the team's overall results given the challenges they faced throughout the year.

We are looking forward to 2023 season and due to interest, we have a goal to submit two teams in the tournament next year to represent MSP.

Thank you to everyone for the support, it does not go unnoticed.

Gina Petelo

Player

MSP JUNIOR RUGBY REPORT

The huge positive from 2022 was that it was a full season for the first time since 2019. That's not to say that the season wasn't without challenges. Our preparations were complicated by the Covid restrictions in place at the time which impacted the ability to hold registration events. There was a drop off in Junior Committee members for varying reasons and volunteer coaches for our Y1 and Y2 teams and the Little Rippas nursery grade proved hard to find.

Across the Junior Club we had 171 registered players, which represented a decrease from 192 in 2021. There were an additional 12 children registered in the Little Rippas nursery grade which was a marked drop from 31 in 2021. There were significant changes to the weights and grading criteria which transitioned to a school year-based system. Overall, this was a positive change, however it did add pressure to certain grades, in particular the Y3 and Y7/8 Open grades where the teams had the bare minimum squads at the start of the season. Conversely, we were able to field a team in the Y3/4 Rip Rugby grade for the first time.

Li'i Alaimoana's work in the Game Development Officer at the club was a breath of fresh air. He was very supportive of our coaches, particularly the new ones, and he implemented the Marist Academy Program that brought the junior and senior clubs together culminating in a combined event for all MSP players. The program was extremely well received by players and parents and we're thankful for the initiative and drive shown by Li'i to foster a one club culture.

On the social scene there were two junior nights held during the year and Poneke hosted us for our traditional interclub event. Our junior prize-giving was well attended as always and rounded out the season nicely. We sent an U12 and an U11 team to participate in the NZ Junior Rugby Festival in Taupo. Given the event had been cancelled the past two years, it was great to see MSP kids travelling and getting experience playing in a tournament like this.

A massive thank you goes out to all the coaches, committee members, volunteers and parents for their contributions during 2022. One can only hope 2023 will be less disruptive than the past three seasons and provide opportunities to grow the junior numbers in our club and the game in general. MSP juniors bring kids and families together in a supportive and fun environment and will continue to do so in 2023.

Statement of Accounting Policies

Marist St Pats RFC

For the year ended 30 September 2022

Reporting Entity

These are the financial statements of Marist St Pats RFC. Marist St Pats RFC is an incorporated society registered under the Incorporated Societies Act 1908 and is engaged in the operations of running an amateur rugby club.

Basis of Preparation

The entity has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future. The financial statements have been prepared on an historical cost basis, unless otherwise stated and all figures are presented in New Zealand dollars.

Changes in Accounting Policies

There have been no changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.

Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

Income Tax

As a promoter of amateur sport, Marist St Pats RFC is wholly exempt from New Zealand income tax under section CW46 of the Income Tax Act 2007.

Bank Accounts and Cash

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Receivables

Receivables are stated at their estimated realisable value. Bad debts are written off in the year in which they are identified.

Revenue

Marist St Pats RFC receives revenue in the form of members' subscriptions, sponsorship, grants, donations, fundraising, bar sales and merchandise sales. All revenue is recognised in the period in which it relates to.

Inventory

Inventory is stated at the lower of cost or net realisable value.

Fixed Assets & Depreciation

The entity's classes of fixed assets are detailed in Note 5. All fixed assets are recorded at cost less accumulated depreciation. Depreciation has been calculated at the maximum rates permitted by the Income Tax Act 2007.

2022 2021

6. Accumulated Funds

Accumulated Funds

Opening Balance	437,554	462,804
Net surplus / (deficit) for the year	57,847	(25,249)
Total Accumulated Funds	495,401	437,554

Total Accumulated Funds	495,401	437,554
--------------------------------	----------------	----------------

7. Audit

These financial statements have been subject to audit. Please refer to the Auditor's Report.

8. Commitments

The Clubrooms are insured for \$1,680,000 building replacement cost. The valuation for insurance purposes was performed in May 2014. The Clubrooms are reported at original cost less accumulated depreciation.

The land on which the Clubrooms are situated is leased from the Wellington City Council. The current lease is for 10 years and expires in 2026.

The Gymnasium is leased from the St Patrick's College Board of Proprietors. A new lease agreement was entered into for 5 years commencing 1 February 2022, expiring 31 January 2027 (subject to renewal). Annual consideration for the license of the Gymnasium totalling \$7,150.00 exclusive of GST is required under the new agreement. This amount includes rates, water, electricity and other services provided to the Gym.

9. Contingent Liabilities and Guarantees

There are no contingent liabilities or guarantees as at 30 September 2022 (Last year - nil).

10. Related Parties

There were no transactions involving related parties during the financial year.

11. Events After the Balance Date

There were no events that have occurred after the balance date that would have a material impact on the Performance Report (Last year - nil).

12. Ability to Continue Operating

The entity will continue to operate for the foreseeable future.
